

Drone Giveaway and Contest

hey kids!

NAME OUR DRONES

WIN PRIZES!

We need help from our creative Jackson kids to name both of our drones this summer!

Teton County Weed and Pest District drones work hard to keep our invasive plants and mosquitoes at bay—but they don't have any names!

The winner for each drone will receive a \$50 REI gift card and a \$20 gift card for Moo's Ice Cream.

Who doesn't want these great summertime prizes? Check out our website to submit your fun, creative, or silly names!

To Enter:
